

Impact Team

The Impact Team are a group of volunteers and staff from the NWBA. Their primary role both before and during the weekend is to coordinate and run the programme for Young People (aged 11-16 at secondary school) and their Youth Leaders. The aim of the Impact Activities Weekend is to organise a fun, action packed programme that enables youth leaders to spend quality time with their youth group

Church Youth Leaders

It is the Youth Leader's responsibility to supervise their young people for the entirety of the weekend. This includes if a young person needs to be taken off site or sent home. You are also the first port of call for your young people overnight (e.g. if they are unwell). It is vital that leaders stay on site for the *whole* weekend.

Youth Leaders are expected to work together with the Impact Team to ensure everyone has a good experience during the weekend. This will include supervising and assisting with tasks such as washing up at the end of meals, tidying bedrooms etc. All Youth Leaders must be over 18 years of age.

Ratio of Youth Leaders to Young People

The minimum ratio we recommend, in line with Safe to Grow is 1:8. However, this is dependent upon the age, maturity, behaviour or individual needs of the young people you are bringing. It may be necessary for you to bring more leaders to ensure your young people are adequately supervised and their needs met. If you are bringing a mixed group of boys and girls, then you will require both a male and female leader.

Safeguarding

To come to the Impact Weekend, you must have an enhanced DBS for working with children / young people. You must also have the agreement of your Trustees (Deacons) that they are sending you as their church representatives to work with and supervise the young people from your church.

Tim Presswood will be the Safeguarding Officer for the weekend should any safeguarding / child protection issues arise. Please ensure the Youth Leaders Agreement (see downloadable forms on website) is completed and returned to the NWBA office (by post – an original signature is required)

Covid Restrictions

We hope that we will not need too many Covid considerations in 2022, however, should cases and severity rise significantly in the North West we will put in a number of safety measures in place to best restrict any spread of the virus. This may include youth groups staying in bubbles for meal times and meetings, use of face coverings if felt necessary, and we may require all people to take lateral flow tests before and during the weekend.

Leaders Sleeping Arrangements

Leaders will be sharing sleeping accommodation (dormitories) with other leaders. **If there is a good reason why you would not want to share, please let us know.** We cannot promise that separate sleeping accommodation can be found, but we will do our best.

Health Issues

A consent / medical form is available to download from the website for completion by everyone attending from your group. One copy will need to be sent to the NWBA office prior to the weekend, but please note, you should also keep a copy of this form. You will need to know the medical needs

of your young people, and if necessary have discussed the needs of your young people with parents / guardians. If any young person is bringing medication you will be responsible for looking after that medication and administering it. The Impact Team will have trained First Aiders on site and will deal with any First Aid issues that may occur during the weekend.

Programme / Youth Leaders Meeting

You will be sent the programme and kit list for your young people before the weekend. It is helpful if this is copied and given to each of your young people so they can see what activities they are taking part in and therefore bring the right clothing. You'll also be invited to a youth leader's meeting sometime ahead of the weekend.

Administration

For the weekend to run smoothly, there is some paperwork that you will be asked to complete prior to the weekend. It is important that the paperwork is completed on time so the Impact Team can pass on relevant information to the activity provider and Quinta. If paperwork or payment is returned late, it may result in your young people being unable to have their first choice of activities. If paperwork or payment is not returned at all, then your young people may lose their place on the weekend.

We would also like to bring your attention to the cancellation policy which is included on the group booking form and below. All paperwork can be downloaded from the website. All completed forms are required to have original signatures, so should be posted rather than emailed to the office. **It is the Youth Leaders responsibility to keep copies of all paperwork returned to NWBA.**

Places are allocated on a first come, first served basis with a £40 NON- REFUNDABLE deposit. The total cost per person is £110. Final booking date 5th September. Cancellation must be made in writing and is only effective on the date received. If cancellations are made after 5th September 2022, the full amount will be payable. Places cannot be held without the deposit. We apologise for the having to introduce these conditions, but activities and accommodation must be paid for in advance and Quinta and our activity provider, Venture Out charge the above rates for cancellation of places.

List of forms needed for completion

Impact Flyer	Please download from NWBAyouth Website www.nwbayouth.com
Group Booking Form	Please download from NWBAyouth website – to be completed by Church Youth Leader and returned by email / post by 5th September 2022 or as soon as possible.
